

New for 2008

Rockley Watersports has joined forces with the Hobie Cat Centre on the multi-hull training front. It will enable Rockley Watersports to become the premier training provider of Multi-hull training. We will provide all the training facilities and the infrastructure, while the Hobie Cat Centre will provide the equipment; a perfect arrangement, as we already operate from the same beach.

We will run all multi-hull courses, from a 1-day catamaran conversion course, for those of you wishing to convert your monohull skills to a catamaran, through to level 1 and level 2, up to the advanced boat handling courses and the Multi-hull Instructor endorsements.

Poole Park News

Poole Park Lake will open up its doors again ready for the Easter weekend (21st March). With its freshly completed changing rooms and new equipment we're all set for a second successful year on the lake.

We will again be offering taster sessions in sailing, windsurfing and kayaking as well as boat hire including sailing dinghies, rowing boats and pedalos. Also don't forget our children's holiday camps during the school holidays, and if you are looking for something different for your child's birthday party, then why not have the party sailing, windsurfing or kayaking on the lake. For more information please contact the office on 01202 666479.

Also **new for 2008** are Dragon Boats – why not bring along a group of friends or colleagues and battle it out in the 'Dragon Boat League'. Sessions last for 1-1.5 hours and range from £75 - £125 per boat with up to 20 in a boat!! Test your teamwork and coordination and paddle your way to victory, on our 500m course to the beat of the Dragon's drum!
