Rockley Watersports News & Weekend Offers

With the season well under way we are looking ahead to a **busy summer** at all our Rockley Watersports centres. Our new Centre in France, Mayotte, has exceeded all expectations, we think that a lot of you were tempted by the new intermediate windsurfing kit that is there.

We are having to turn away a lot of late bookings as people rush to book courses as soon as there is a bit of sun, only to find that they have been beaten to it. Some of our **popular weeks** book months in advance and in other weeks there are spaces right up to the last minute. If you know what dates you want then don't delay! There is even a **5% discount** if you book your UK course online at: www.rockleywatersports.com.

It's worth keeping an eye on our website as we will be having the occasional **offer** on there and here is one to get you started. Book an adult weekend on 21st/22nd July before the end of June and get **£10 per person off** the cost of the course.

Andy "**Straw**" is continuing to be a legend as the chief instructor at **Rockley Point** now in his **31st year** with us. Now that he has children of students from the good old days working for him as instructors he says that it makes him feel older than his 45 years of age!

Rob our manager in **France** is working his socks off (that is if he ever wore them) with a huge team of instructors to manage. Don't feel too sorry for him as he is taking three months off in the winter to go around the world - he will do anything to keep that year round tan of his.

Poole Afloat will also take place this year at **Baiter Park** during the weekend **23rd-24th June**. We will be down there offering **free sailing sessions** so make sure you pop down and join in on **all the fun!**

To book your summer course at Rockley Watersports or your family holiday in south west France, contact the office on 0870 7770541 and we will be happy to assist.

Poole Park News

This year has seen the opening of our brand new centre at Poole Park. Our new venture offers a range of windsurfing and dinghy equipment for hire as well as taster sessions and short courses for those who wish to try their hand at something new to get you started. For those who simply want to 'chill out' and enjoy the surrounds of Poole Park, why not hire a pedalo or enjoy lunch in our rowing boats.

Summer will also see the opening of our Children's Summer Camp which will operate every week during the school summer holidays. With a range of activities to keep the most hyperactive of children entertained - kayaking, sailing and windsurfing and an itinerary which changes on a daily basis, there is no reason for your children to be bored this holiday. We offer anything from half day sessions to 5 day sessions.

Information can be obtained from our website or by contacting 01202 666479.
